**AMENDMENT/ADDITION TO FOXCHASE HOMEOWNER'S
RULES AND REGULATIONS**

Garage Doors

Replacement garage doors (or garage door panels) shall be of the same type, size, and design as those existing in the community today, or replaced with an insulated, 24-gauge, 2-sided galvanized steel door with wood grain embossed, windowless, flush panels of a quality and design similar to the Safe-Way Deluxe Series garage doors model 70 or 71.

Note: Foxchase HOA will paint new door to match existing (light grey) trim
